stone
LIGHTING
1 Twist cap a few degrees to remove from fixture housing

2 If lamp is already installed, gently unplug lamp from socket wiring
4 Set lamp in cap

5 Replace retaining ring and screw down until snug against lamp

3 Insert a small hex key, push pin, or paper clip into one hole in the lamp retaining ring and twist counter clockwise to unscrew

**6** Plug lamp into fixture socket

7 Gently twist cap and lamp assembly into fixture body
