

### X-Connector

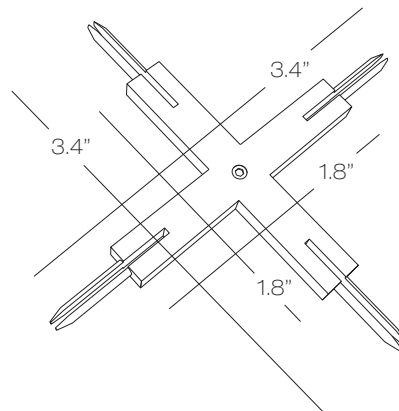

Join four conductive sections of rail to make a 4-way intersection.

Model  
**MSCNX**

Finish

**BL**

**BL** black  
**BZ** bronze  
**SN** satin nickel

\* We recommend a support within 6" of "X".

**Black Monorail Finishes:** Monorail is Solid Brass with a Blackened Bronze Finish. Hardware, fixtures and transformers are Steel with a Painted Satin Black Finish.
